In Memoriam

Gerald "Mac" McDéviit came to Mill River during the summer of 1975. He served as Mill River's head custodian and chief of Maintenance through 1983 when he retired for health reasons. Mac assumed many responsibilities for the operation of the school, from the time we first opened the doors of Mill River through his retirement. His dedication to the school and its students was evidenced in everything he did. To Mac the school was more than a job. It was a very important part of his life, something he took a great deal of pride in. The Class of 1985 dedicates this yearbook to the memory of Gerald "Mac" McDéviit and as a tribute to his work and his support for Mill River Union High School.

Thank You

The Class of 1985 would like to thank Mrs. Niedermeier for all of the help she has given us through our years at Mill River.

Thank You and Good Luck,
Mr. Wynne
